

ELITE|HV T

TRANSITIONLESS HEMOSTASIS
VALVE INTRODUCER

**UP TO 40% LESS ENTRY/INSERTION
FORCE VS COMPARABLE SHEATH.***

*1:1 simulated use test data on file at Galt Medical Corp.

The Elite HV T .018" combination micro-introducer and valve introducer sheath delivers transitionless insertion force and over 40% improvement to current users. This compact all-in-one sheath system reduces steps, saves time, and minimizes product inventory.
